

Oksana Dudarko,
Chuiko Institute of Surface Chemistry NAS of Ukraine, 17, General
Naumov Str. Kyiv 03164 Ukraine
Tel: +38(044)4229630, Fax: +38(044)4243567
E-mail: odudarko80@gmail.com

From 2017 till now Senior researcher, Chuiko Institute of Surface Chemistry, NAS of Ukraine, Kyiv
2009 –Ph.D. Thesis in Surface Chemistry

Honors and awards:

2009-2011 - Fellowship of the President of Ukraine
2011 - Award of the National Academy of Sciences of Ukraine for young scientists "Talent,
Inspiration, Work"
2012-2013 - Fulbright Foundation Scholarship in Kent State University (OH).

Fields of Activity: Sol-gel and template method, synthesis and study of functionalized mesoporous materials, adsorbents, catalysts, surface chemistry, selective removal of lanthanides and actinides.

Practical Experience:

- Ministry of Education and Science of Ukraine and NAS of Ukraine, joint project with China (2006-2008), Slovenia (2009-2010), Czech Republic (2008-2010), Belarus (2016), Slovakia (2017-2019), Poland (2018-2019), Lithuania (2018-2019), India (2019-2021), NATO Workshop (2011)
- Swedish research project No 2012-6205 (2015), 2018-04841 (2018-2020)

Scientific production more than 40 publications in Ukrainian and international journals (h-index: 8), around 70 communications on conferences
