REGISTRATION BENEFITS

CIMEE2020 participants will have the opportunity to participate in one of the most progressive conference experiences in the field with many career development opportunities specially designed by the conference Research and Planning Division along with the Conference Committee Members. All conference sessions are designed to deliver the highest quality service to participants while ensuring their objectives are met with the highest level of academic praxis.

Benefits of Attending CIMEE20 and Registration fee include the following:

HIGH-QUALITY CONFERENCE MATERIALS AND CONFERENCE EXPERIENCE

In having great speakers and a novel venue, we turn a learning opportunity into something participants are bound to remember and implement in their careers. In making your research journey notable, we have arranged a special conference kit as resources. CIMEE 2020 conference kit consists of the abstract book and your ID.

PRE-CONFERENCE ABSTRACT REVIEWING PROCESS

Our Scientific Committee consists of qualified experts and scholars. The conference operates under the guidelines of the Advisory and Review Committee. We rely on effective peer review processes to uphold the quality, validity and necessary feedback for authors, and to propose a possibility to receive new skills and knowledge for academic and professional growth.

CONFERENCE RESEARCH PRESENTATION AND INTERNATIONAL PRESENTER EVALUATION

Presenting at a conference can be an overwhelming process. Researchers are there to support and learn about your new and innovative research. For that, two international experts from our evaluation panel will add supplementary feedback, which adds value to your work. They will evaluate your paper. The panel will provide constructive feedback on your research and presentation. The Q&A session at the end of your presentation will be a collaborative opportunity for you to engage with other participants and receive their feedback.

ENHANCED NETWORKING OPPORTUNITIES

The conference offers you the opportunity to meet and network with other peers from around the world. Meaningful, career-enhancing, one-on-one connections are a major part of what makes attending this conference so valuable.

ROUND TABLE DISCUSSIONS, SESSION DISCUSSIONS AND PUBLICATION WORKSHOP

CIMEE20 will be offering special events aiming at your personal, professional growth and development through a series of targeted and interactive Round Table Discussions, Thematic Sessions, Session Discussions and Publication workshop. These features are specially designed by the Organizing Committee together with the committee of internally recognized experts from universities from around the world.

BEST POST CONFERENCE PUBLICATION BENEFITS

CIMEE20 provides a wide range of quality publications that make the exchange of technical knowledge and information possible. The Scientific Peer Reviewers & Advisory Committees is devoted to overseeing and addressing your concerns pertaining to publication at any time. You will receive an answer within 24 hours regarding your inquiry. We provide you with the opportunity to publish your paper with well-known journals and conference proceedings will be facilitated by superior publication procedures.

PERSONAL GUIDANCE AND INDIVIDUAL PROFESSIONAL ASSISTANCE

Our experts' committee is ready to attend to your concerns prior, during and after the conference. If you need any assistance in regards to your research, career growth, collaborations, feel free to reach us out at the inquiry table during the conference. We are dedicated to meet with you and connect you with the right resource person who can be of assistance.

POST CONFERENCE BLOGS AND CONFERENCE REPORT PUBLICATION

Please do not hesitate in reaching out to us for a comprehensive conference report, where you will find the conference summary. The report consists of all the conference features (Chair/s speech, Keynote Forum, Plenary Sessions, Technical Sessions, Poster Sessions, Special Features, etc.). Feel free to share our posts with your friends on Facebook, LinkedIn and any other social media networks you find useful!
