

## Call for CIMEE22 Special Session Proposals

The 4th International Symposium on Materials, electrochemistry and Environment (CIMEE22) is seeking proposals for special sessions within a general scope of the conference. Special sessions are expected to cover the state-of-the-art and emerging research in Chemistry and Environment. We also encourage special sessions with a focus on Electrochemical Technologies for Environmental applications, Environmental & Green Chemistry, Agricultural Chemistry & Environment, Environmental Geochemistry & Biogeochemistry, Aerosol & Atmospheric Chemistry,

Proposals will be evaluated based on the quality of the proposal, potential impacts on CIMEE22 community, and timeliness. Special session submissions at CIMEE22 will be peer-reviewed in the same way as submission to regular sessions.

Proposers should include the following information in their submission:

1. Special session title
2. Names of proposer(s)
3. Titles, affiliations, and contact information of proposer(s)
4. Description of the proposed session (1-2 paragraphs)
5. List of the proposed topics

### SUBMISSION

Proposal submission (in pdf format) and inquiries related to special sessions should be sent via email to special session chairs at [cimee16@ul.edu.lb](mailto:cimee16@ul.edu.lb) (Deadline 30 June 2022).
