

Dear Dr. Ahmad ELMOLL,  
Associate Professor,  
Lebanese University.  
Organizing Committee Chair CIMEE24

October 3, 2024

Thank you for your kind message and for considering *Journal of Agriculture and Rural Development Studies (JARDS)* as a partner journal for CIMEE24. We are honored by the opportunity to collaborate with the conference.

While we are happy to publish high-quality papers recommended by the Scientific Committee, we believe that these works would be better suited for publication in our regular issues, as some conference themes may not fully align with the core topics of our journal. However, we are open to reviewing and considering the best papers that meet our peer-review standards, pass the plagiarism check, and fit within our scope.

Once accepted, these papers will be published under our open-access model, with no publication fees, and each article will be assigned a DOI. Additionally, we would be delighted to have JARDS listed as a partner journal on the official conference website.

We look forward to this collaboration and to receiving contributions from CIMEE24 participants.

Best regards,

Prof. dr. ec. dr. eng. Silvius Stanciu
