

7th International Symposium On Materials, Electrochemistry & Environment

Call for Abstracts/ Papers

3rd Conference Circular

September, 25-27, 2025, LEBANON

cimee-science.org

The Symposium is organized by the Faculty of Public Health, Doctoral school for science and technology, Lebanese university in partnership with:

- Department of analytical Chemistry, Faculty of Pharmacy, Ankara University, Turkey.
- Laboratory of Electrochemistry, LEIMCR, Faculty of Technology, University of Ferhat Abbas Sétif-1, Algeria
- Laboratory of Environmental Engineering & Ecotechnology, ENIS, University of Sfax, Tunisia
- Center of Materials Technology and Photonics, Hellenic Mediterranean University, Heraklion, Crete, Greece
- Laboratory of Applied Chemistry & Environment, ENSA, University of Ibn Zohr, Morocco

Deadline

August 2025

About the Symposium

On behalf of the Organizing and Scientific Committees, it is our great pleasure to welcome you to the 7th International Symposium on Materials, Electrochemistry and Environment, CIMEE25, scheduled to take place online on 25-27 September 2025 at Tripoli, Lebanon)

Through plenary and keynote lectures, oral presentations, poster talks and poster sessions, the ambition of the Three-day CIMEE25 conference is to report on the most advanced research progresses in Materials, Electrochemistry and environmental analytical chemistry, and to pave the way for future research and challenges.

This scientific gathering aims to provide terrific opportunities for academicians, researchers, scientists, engineers, and industry representatives to network and share their knowledge, insightful suggestions, and cutting-edge research in the field of environmental chemistry.

Abstract Submission

Submit Your Oral and Poster Presentation Abstracts. CIMEE-2025 invites one page, written in English, and submitted as a Word document, two-page extended abstracts, including references, tables and figures ((for authors who want to submit an article). The last date for submission of abstract for is March 30, 2025. The abstract in MS-WORD format only should be sent by email. Authors are requested to maintain the format strictly as given in the abstract template (available on the website: <https://cimee-science.org/index.php/cimee25/>)

All abstracts will be peer reviewed prior to inclusion in the book of Abstracts. The corresponding author will be notified about the acceptance of the contribution or any modifications required. Book of Abstracts will be published by organizing committee and will be available during the conference.

Special sessions

Special session will be organized on the 7th Edition of the conference, This session provides a platform for international experts from academia, government, & industry to share their research on the Materials, Electrochemistry as well as bioresources technology & the sustainable bioenergy regeneration methods.

Important Dates

Abstract deadline

First Round Submission:
March 31, 2025

Second Round Submission:
June 30, 2025

Final Round Submission:
August 15, 2025.

Registration Deadline

Early Bird Registration:
February, 2025

Registration: Extended until
August 15, 2025

Deadline for Full Paper Submissions
December 31, 2025

Committees

Chair: Assoc Prof. Ahmad El Moll, Faculty of public Health, Faculty of Science, Doctoral School for science & Technology, Leb University, Lebanon
Co-Chairs: Dr. Konstantinos V. Plakas, Senior researcher, Centre for Research and Technology-Hellas, CERTH, Greece

Tracks & Topics

T 1. MATERIALS & THE ENVIRONMENT

- 1.1. Nanomaterials, Nanostructures & Environment.
- 1.2. Nanomaterial-based biosensors for pollutants detection
- 1.3. Nanotechnology & Nanobiotechnology for Environmental Remediation
- 1.4. Carbon Nanotubes-Based Nanomaterials & Their Applications
- 1.5. Materials technology for sustainable environment & greener energy

T 2. ELECTROCHEMISTRY, BIOELECTROCHEMISTRY & ENVIRONMENT

- 2.1. Electrochemistry for the Environment
- 2.2. Electrochemical and environmental sensors, Biosensors technology
- 2.3. Organic electrochemistry & Bioelectrochemistry
- 2.4. Electrochemical nanosensors and their application.

T 3. ATMOSPHERIC CHEMISTRY & ENVIRONMENTAL POLLUTION

- 3.1. Aerosols, Air Pollution and Meteorology

T 4. STRUCTURAL, ANALYTICAL & PHYSICAL CHEMISTRY

- 4.1. Environmental chemistry, Analytical chemistry
- 4.2. Pesticides, sustainable agriculture & environmental monitoring
- 4.3. Bioremediation & Phytoremediation of environmental Pollutants.
- 4.4. Remediation Technologies Applied in the Environment

T 5. AGRO GEOENVIRONMENT, AGROCHEMISTRY & BIOGEOCHEMISTRY

- 5.1. AgroGeoenvironment & Geomaterials
- 5.2. Biomaterials, Waste & biomass valorization
- 5.3. Atmospheric Chemistry, Geochemistry & Earth Materials
- 5.4. Agro-materials, & Environmental geochemistry.

T 6. CLIMATE CHANGE, COASTAL & MARINE ECOSYSTEM

- 6.1. Blue Carbon Ecosystems & Climate Change Mitigation

◆ Publication

Full papers of accepted abstracts will have the opportunity to be published in the partner journals, after standard peer review procedures of the journal.

The final decision for paper selection will be made based on peer review reports by the CIMEE25 Advisory and review committee and the Editor-in-Chief jointly.

Additional Abstracts are welcome !
